

# What Does My Gift Support?

*At the heart of the Exponential Potential Campaign is support for Scholars at every stage of their lifelong journey. The Scholars Fund is the through-line that underpins our community from Scholars Elect to Scholar Alumni. It ensures the Trust can attract the very best applicants from around the globe, bolsters the experience of our Scholars in Oxford, and supports Rhodes Scholars in remaining connected after going down.*

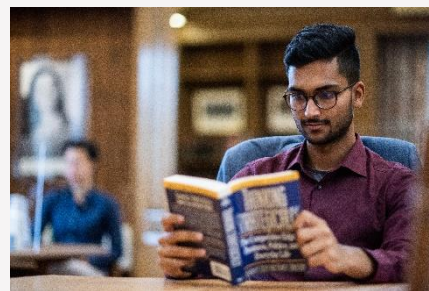

## Scholars Elect

**Scholar Outreach**  
*Amplify the reach of the Rhodes Scholarships, making it a truly global and inclusive opportunity:*

- Outreach activities such as the Ambassadors Programme which ensure that applicants from diverse institutions and all corners of the globe are invited to join us in fighting the world's fights.

## Scholars in Residence

**Scholar Advancement**  
*Develop leadership and academic skills to embody the Rhodes ethos:*

- Support for DPhil Scholars to enable them to complete their degrees on time
- Grants for essential fieldwork and travel to academic conferences.
- Opportunities for Scholars to reflect on their values and aspirations and come together as a community at Character Service and Leadership retreats.

## Scholar Alumni

**Scholar Support**  
*Ensure all Scholars can thrive regardless of financial constraints:*

- Resources for mental wellness support, access to counselling and therapy, and emergency hardship support.
- Coverage of significant core costs associated with living and studying in Oxford, including visa fees and international student health fees.

**Scholar Collaboration**  
*Create a lifelong network of mutual learning and growth:*

- Opportunities for Lifelong Fellowship and a suite of annual regional and global convenings to ensure the Rhodes experience does not end after going-down.
